PRACTICE EXAM

Academic Year: 2015-16

Division: I

Date: 04/21/2015

Test ID: 1769173

1 During the summer evaluation period, it is NOT permissible for coaches to evaluate at which of the following:

A) Certified events.

B) Institutional camps.

C) Noninstitutional nonorganized events (e.g., pick-up games).

D) It is permissible to evaluate at all of the above activities.

2 The institution would like to hire a local high school men's basketball coach to work its summer camp. The institution is not recruiting any prospective student-athlete from the local high school coach's basketball team and none of the local high school coach's former players participate in men's basketball for the institution. It is permissible for the institution to hire the local high school coach.

A) True.

B) False.

3 During a two-year period before a prospective student-athlete's anticipated enrollment and a two-year period after the prospective student-athlete's actual enrollment, an institution shall not employ (or enter into a contract for future employment with) an individual associated with the prospective student-athlete in any athletics department noncoaching staff position.

A) True.

B) False.

4 In men's basketball, for purposes of applying the camp and clinic legislation, a prospective student-athlete is considered a RECRUITED prospective student-athlete when:

A) The prospective student-athlete`s attendance at any institutional camp or clinic has been solicited by the institution or a representative of the institution`s athletics interest.

B) The institution has provided any recruiting materials to the prospective student-athlete.

C) An institutional coaching staff member has had any recruiting contact [including in-person or electronic contact (e.g., telephone calls, video conference, electronic correspondence)] with the prospective student-athlete, including contact initiated by the prospective student-athlete.

D) The prospective student-athlete has received a verbal offer of athletically related financial aid from the institution.

E) The prospective student-athlete has verbally committed to attend the institution.

F) All of the above.

5 A basketball coach may NOT be employed, volunteer or guest lecture at a noninstitutional basketball camp and in which prospective student-athletes participate, even if the camp or clinic is operated in accordance with the restrictions applicable to institutional camps or clinics.

A) True.

B) False.

6 There is a limit of four student-athletes who may participate in skill-related instruction as part of the required summer athletic activities.

A) True.

B) False.

PRACTICE EXAM

Academic Year: 2015-16

Division: I

Date: 04/21/2015

Test ID: 1769173

7 An institution's coach may be involved in nonscholastic based basketball (e.g., local club team) under which of the following conditions:

A) The team includes the coach`s child and the team participants are of the opposite gender than the team the staff member is associated with at the institution.

B) Basketball coaches are not permitted to be involved in any manner with nonscholastic based basketball.

C) Both a and b.

D) None of the above.

8 The institution is organizing its summer men's basketball camp and has called many prospective student-athletes to invite them to the camp. Given the institution made phone calls to prospective student-athletes, they are now considered recruited prospective student-athletes.

A) True.

B) False.

9 A recruiting service that provides only video of prospective student-athletes and does not provide information about or analysis of prospective student-athletes is a permissible recruiting service.

A) True.

B) False.

10 Two coaches engaged in off-campus recruiting activities on the same day use _____ recruiting-person days.

A) Zero.

B) One.

C) Two.

D) Four.

11 During the month of May, it is permissible for an institution's basketball coach to lecture at a noninstitutional, privately owned basketball camp that is operated under restrictions applicable to institutional camps.

A) True.

B) False.

12 A prospective student-athlete's nonscholastic basketball coach would be considered an individual associated with a prospective student-athlete (IAWP).

A) True.

B) False.

13 If a prospective student-athlete making an official visit is a member of a nontraditional family (e.g., divorce, separation), it is permissible to provide travel expenses to more than two individuals.

A) True.

B) False.

14 In men's basketball, before a prospective student-athlete commits to the institution per Bylaw 13.02.12.1, while evaluating a summer men's basketball certified event during a permissible evaluation period, an institution's basketball coach leaves a note at the hotel for a prospective student-athlete participating in the event prior to the start of the competition. After the completion of the first game, the institution's coach meets with the prospective student-athlete's nonscholastic coach to discuss the game. After the prospective student-athlete has completed his last game and has been released by his coach, the coach calls the prospective student-athlete's parents at home to tell them how great the prospective student-athlete played. Which of the following are violations of NCAA rules?

A) The note to the prospective student-athlete.

B) Contact with the prospect student-athlete`s nonscholastic coach.

C) The phone call to the prospective student-athlete`s parents.

D) All of the above

15 An on-campus evaluation may not be conducted with a two-year college transfer prospective student-athlete until:

A) The prospective student-athlete has spent an academic year in residence at the two-year college.

B) The prospective student-athlete has completed 48 hours of transferrable degree credit.

C) The prospective student-athlete has exhausted two-year college eligibility in basketball.

D) All of the above.

16 It is permissible for an institution to hire a high school men's basketball coach as a volunteer in a summer camp if the institution is recruiting one of the high school men's basketball prospective student-athletes.

A) True.

B) False.

17 It is permissible for an institution to offer a different registration procedure, fee structure, advertisements, lodging, meals and awards for its men's basketball SELECT CAMP than it does for its other basketball camps.

A) True.

B) False.

18 An institution's basketball camp or clinic may be conducted only during the months of _____ or any calendar week (Sunday through Saturday) that includes days of those months.

A) May, June and July.

B) June, July and August.

C) April, May, June and July.

D) May, June, July and August.

19 A prospective student-athlete may participate in voluntary summer conditioning, provided he/she has:

A) Undergone a medical examination administered or supervised by a physician within six months prior to participation in any weight-training or conditioning activities.

B) Has signed a National Letter of Intent (NLI) or is enrolled in the institution`s summer term.

C) Has verbally committed to the institution.

D) Both A and B.

20 A basketball two-year college prospective student-athlete would like to participate in an on-campus evaluation (OCE) during an upcoming official visit to the institution. The prospective student-athlete already participated in an OCE at the institution during the senior in high school. Assuming the prospective student-athlete meets all other requirements of an OCE, this is permissible.

A) True.

B) False.

21 It is permissible for an institution's coach to engage in recruiting conversations with prospective student-athletes during the institution's men's basketball camps or clinics.

A) True.

B) False.

22 It is permissible for the head coach to donate money to a nonprofit foundation that uses the funds, in part, to operate a nonscholastic team.

A) True.

B) False.

23 An institution may pay the air transportation for two parents (or legal guardians) to accompany a prospective student-athlete during an OFFICIAL visit.

A) True.

B) False.

24 A prospective student-athlete who has signed a National Letter of Intent or written offer of athletics aid, or the institution has received the prospective student-athlete's financial deposit in response to its offer of admission, may make an UNOFFICIAL visit at any time, including during the month of July.

A) True.

B) False.

25 It is permissible for an institution to provide hard tickets to an individual associated with a prospective student-athlete (IAWP).

A) True.

B) False.

26 During June, July and August, a basketball coach may be employed at a noninstitutional (i.e., privately owned) basketball camp or clinic in which prospective student-athletes participate, provided the camp or clinic is operated in accordance with restrictions applicable to institutional camps or clinics.

A) True.

B) False.

27 An institution may conduct an on-campus evaluation with a prospective student-athlete who has graduated from high school and is enrolled in a preparatory school if:

A) The evaluation takes place during an official or unofficial visit.

B) The evaluation is conducted after the conclusion of the prospective student-athlete`s season.

C) The prospective student-athlete has exhausted preparatory school eligibility in basketball.

D) All of the above.

28 A student-athlete who has been certified as a nonqualifier may participate in summer athletic activities during the summer prior to initial full-time enrollment at the certifying institution, provided he is enrolled in summer school and the activities are conducted during the time period in which the student-athlete is enrolled.

A) True.

B) False.

29 It is NOT permissible to evaluate prospective student-athletes at noninstitutional nonorganized events (e.g., pick-up games) during the summer evaluation period.

A) True.

B) False.

30 In which of the following scenarios may an institutional coaching staff member have recruiting contact with a prospective student-athlete, a prospective student-athlete's relatives or legal guardians, a prospective student-athlete's coach or any individual associated with a prospective student-athlete as a result of his/her participation in basketball?

A) Any basketball event during the academic year that is not part of the prospective student-athlete`s normal high school season.

B) Nonscholastic events during the April contact period.

C) Summer certified events during the July evaluation period.

D) Telephone contact with a high school coach not in attendance.
