

# NCAA Division I 2004-05 Academic Progress Rate

## Public Report

Institution: U.S. Naval Academy

Date of Report: 02/27/2006

This report is based on academic progress rate (APR) information submitted by member institutions for the 2003-04 and 2004-05 academic year.

*[Note: All information contained in this report is for two academic years only, unless otherwise noted. This may lead to very small sample sizes within certain groups. The NCAA anticipates reporting data only on the basis of a four-year rolling rate for all sports when four years of data are available.] In accordance with FERPA's interpretation of federal privacy regulations, data cells containing three or fewer student-athletes have been suppressed and are indicated by an \* symbol.*
