1989-1990 BASKETBALL RECORD

Please list games in order played Before opponent's name, indicate "Opp Code" number using code list provided After opponent's name, indicate overtime games with OT, 2-OT, etc. For "Site" use "1" for home games, leave blank for away games and "3," "4," "5," for each DIFFERENT neutral site. List the arena, city and state for each DIFFERENT neutral site in the space provided below. If you have more than one "home" court, please include all games played in your home city or nearby cities in which you would be regarded as having the home crowd. To indicate games played as double-headers (that is, one admission price for both games), use "x" in "DH" column. List attendance for ALL games regardless of site. Attendance should include all students at the game—regardless of whether they paid admission. If you do not charge admission or count attendance, please estimate the total number of spectators at each home game. Please remember—only games against four-year, U.S. colleges with varsity teams are included in statistics or in won-lost records.
