1993-94 BASKETBALL RECORD

Please list games in order played. Before opponent's name indicate "Opp Code" number using code list provided. After opponent's name indicate whether game was OT 2-OT etc. For Site use 1 for home games, leave blank for away games and "3" "4" "5" for each DIFFERENT neutral site. List in arena, city and state for each DIFFERENT neutral site in the space provided below. If you have more than one home court please include all arenas played in your home city or nearby cities in which you would be regarded as having the home crowd. In the table below, separate those home games played as double headers with the men's team (that is one admission price for both games) from those home games played alone using an "X" in the "H" column. List attendance for ALL games regardless of site. Attendance should include all students at the game—regardless of whether they paid admission. If you do not charge for admission or court attendance please estimate the total number of spectators at each home game. Please remember—only games against four year U.S. colleges with varsity teams are included in statistics and won/lost record.
