Please list games in order played. After opponent's name indicate extra inning games with number of innings. After opponent's score indicate home games by (H) away games by (A) and neutral sites by 1 2 3 etc. and list below. Place an X under the DH column for all games played as part of a double header. List attendance for ALL games regardless of site but only list ONE attendance figure for double headers. Attendance should include all students at the game—regardless of whether they paid admission. If you do not charge admission or count attendance please estimate the total number of spectators at each home game. If you have more than one "home field" please include all games in your home city or nearby cities in which you would be regarded as having the home crowd. Please remember—only games against four-year, U S colleges are included in statistics and won/lost record.
