1. A institutional staff member may initiate phone calls to or receive phone calls from a prospective student-athlete during the five days immediately preceding the prospective student-athlete's official visit and during the official visit.
   A) True.
   B) False.

2. Permissible video/audio material may include a prospective student-athlete's name and or image.
   A) True.
   B) False.

3. During an OFFICIAL visit, a prospective student-athlete may participate in game-day simulation activities.
   A) True.
   B) False.

4. A prospective student-athlete may take an official visit to the same institution in which of the following situations?
   A) The second official visit is taken on or after October 15 following the prospective student-athlete's completion of high school.
   B) The team has a new head coach since the original official visit.
   C) It rained during the first visit.
   D) Both A and B are correct.

5. It is NOT permissible to display a visiting prospective student-athlete's name on the scoreboard, even if the facility is completely empty and closed to the public.
   A) True.
   B) False.

6. An institution may provide reduced camp or clinic admission privileges to a high school athletics award winner, provided he or she resides in the locale of the institution.
   A) True.
   B) False.

7. Before a prospective student-athlete commits to the institution per Bylaw 13.02.13.1, the institution may provide a prospective student-athlete a photograph taken of him/her during the official visit.
   A) True.
   B) False.

8. Before a prospective student-athlete commits to the institution per Bylaw 13.02.13.1, an enrolled student-athlete may receive phone calls made at the expense of a prospective student-athlete at any time, provided there is no direct or indirect involvement by the institution's athletics department staff.
   A) True.
   B) False.

9. It is permissible for a coach to attend a prospective-student-athlete's off-campus press conference to announce his or her commitment or signing.
   A) True.
   B) False.
10. After a prospective student-athlete has committed to the institution, he or she may take a second official visit if the team’s head coach has changed since the initial official visit.

A) True.
B) False.

11. It is permissible to use express mail services to mail printed recruiting materials to a high school coach within the United States.

A) True.
B) False.

12. Before a prospective student-athlete commits to the institution per Bylaw 13.02.13.1, a coach may make in-person, off-campus contact with a prospective student-athlete _________________.

A) During the prospective student-athlete’s competition.
B) Two hours before the prospective student-athlete’s competition.
C) On day one of a two-day tournament.
D) At the completion of the prospective student-athlete’s competition, provided the prospective student-athlete has been released by the appropriate institutional authority and departs the dressing and meeting facility.

13. It is permissible for a director of operations (or other noncoaching staff member with sport-specific responsibilities) to attend a local athletics event involving prospective student-athletes and have recruiting conversations with the prospective student-athlete’s relatives or legal guardian(s) who are attending the event.

A) True.
B) False.

14. During an UNOFFICIAL visit, what type of transportation is an institution allowed to provide to a prospective student-athlete?

A) Transportation to view any off-campus practice or competition site in the prospective student-athlete’s sport.
B) Transportation to an institution’s home contest in the prospective student-athlete’s sport held at any local facility.
C) Transportation from the prospective student-athlete’s home to the institution.
D) A and B.

15. Participation by a prospective student-athlete in OPEN EVENTS conducted by or held on the campus of an institution shall not be considered tryouts.

A) True.
B) False.

16. A prospective student-athlete posted a status on his/her social media profile page stating an interest in playing his/her sport at the Division I level. In response, the institution’s coach in that sport commented on the prospective student-athlete’s post, asking the prospective student-athlete what grade he/she is in and what position he/she plays. This correspondence with the prospective student-athlete on social media is permissible.

A) True.
B) False.

17. It is permissible for an institution’s director of athletics to send a prospective student-athlete a congratulatory note after he or she has signed a National Letter of Intent or the institution’s written offer of admission and/or financial aid, or the institution has received his or her financial deposit in response to its offer of admission.

A) True.
B) False.
18 For a NONQUALIFIER (with no previous collegiate attendance) to be eligible to practice, compete or receive athletically-related financial aid, he or she must first serve an academic year in residence at the certifying institution.
   A) True.
   B) False.

19 A letter of intent may be provided to a prospective student-athlete by:
   A) Express mail.
   B) Courier service.
   C) Email.
   D) Fax.
   E) Any of the above.

20 It is permissible for an institution to provide a student-athlete financial aid that includes a board allowance that consists of ________________.
   A) The institution’s maximum meal plan available to all student-athletes.
   B) Customized options available to all student-athletes.
   C) Three meals per day or the institution’s maximum meal plan that is available to all students, whichever is greater.
   D) None of the above.

21 During an OFFICIAL visit, it is permissible for a booster to host an occasional meal at his/her home for the prospective student-athlete, student host and other student-athletes.
   A) True.
   B) False.

22 An institution may cancel financial aid based on athletics ability, during the period of award, because of a psychological condition that prevents the student-athlete from participating in athletics.
   A) True.
   B) False.

23 Which of the following is TRUE regarding general correspondence that may be sent to a prospective student-athlete?
   A) Design and content is limited to one institutional logo.
   B) The size of the printed material may not exceed 8 1/2 X 11 inches when opened in full.
   C) The envelope used to send the general correspondence may not exceed 8 1/2 X 11 inches.
   D) All attachments must be in black ink on white paper.

24 During an OFFICIAL visit to an institution, the coaching staff informed the visiting prospective student-athlete that a medical examination may be provided at the expense of the institution. If the prospective student-athlete agrees to the medical examination, who is permitted to CONDUCT the medical exam?
   A) Head Coach.
   B) Director of Operations.
   C) Physician.
   D) Strength Coach
25 A prospective student-athlete purchased an airline ticket to arrive at an airport that is not the nearest major airport because it was less expensive. The institution may provide the prospective student-athlete transportation from the airport at which he/she arrived for his/her initial arrival to attend classes.

A) True.
B) False.

26 During an institutional camp or clinic, an institution's coach may extend a written offer of financial aid to a prospective student-athlete in attendance, provided it is after August 1 of a prospective student-athlete's senior year in high school.

A) True.
B) False.

27 For purposes of Bylaw 13, an individual becomes a RECRUITED prospective student-athlete when a coach initiates a telephone call with the prospective student-athlete or the prospective student-athlete's parent or guardian on more than one occasion for the purpose of recruitment.

A) True.
B) False.

28 Prior to initial full-time enrollment at a four-year collegiate institution, a recruited prospective student-athlete enrolls in summer school and receives athletically related financial aid. The prospective student-athlete was admitted, but decided not to enroll at any institution the fall term, and instead enrolls full-time at a different four-year collegiate institution during the spring term. This prospective student-athlete is considered a transfer student.

A) True.
B) False.

29 In-person on- or off-campus contact may occur during a dead period with a prospective student-athlete who has committed to the institution per Bylaw 13.02.13.1.

A) True.
B) False.

30 A representative of an institution's athletics interests (i.e., booster) may attend a game in which a prospective student-athlete participates, notify the prospective student-athlete of the institution's interest and correspond with the prospective student-athlete through e-mail.

A) True.
B) False.
PRACTICE EXAM: 11/19/2018

1) A) True.
