1. After the completion of high school, a prospective student-athlete may take part in a second tryout at the same institution after September 1.
   A) True.
   B) False.

2. An institution may provide expenses to a prospective student-athlete to participate in an institutional fundraiser or promotional activity, provided the prospective student-athlete has graduated from high school and signed a National Letter of Intent or written offer of admission and/or financial aid.
   A) True.
   B) False.

3. A member of an institution’s coaching staff may recruit on behalf of the institution while serving in his/her capacity as local sports club coach while receiving expenses from the local sports club.
   A) True.
   B) False.

4. If an institution receives a written request from a student-athlete to permit another institution to contact the student-athlete about transferring, the institution must respond within 14 consecutive calendar days. If the institution fails to respond within 14 consecutive calendar days, __________.
   A) Permission is granted by default, and the institution shall provide written permission to the student-athlete.
   B) The institution has a 30-day grace period in which to respond to the student-athlete’s request.
   C) Permission is denied.
   D) The student-athlete may request a hearing to appeal the lack of response from the institution.

5. Prior to high school graduation, Sam Smith participated in a tryout at University A. After Sam graduated from high school, University A wants Sam to come to campus to participate in a second tryout on August 21. Would this be permissible?
   A) Yes.
   B) No.

6. Coach White, the assistant track coach at State University, is talking to Jill Runner, a prospective student-athlete, at Jill’s district championship track meet. Coach White may speak to Jill, provided:
   A) Jill has verbally committed to attend State University.
   B) Jill scored a 26 on the ACT and has a 3.5 core grade-point average.
   C) Jill has signed a written offer of admission to State University.
   D) Jill is not related to Coach White.

7. An entertainment activity that includes a physical component (related to the involved sport) would count in the daily and weekly hour limitations.
   A) True.
   B) False.

8. Johnny Chase, a prospective student-athlete in the sport of soccer, has not signed a National Letter of Intent with any institution. He will graduate from high school on June 7 and his last high school soccer game is June 21. Town College is recruiting Johnny and would like him to work its summer camp, which begins on June 10. Can Johnny work the summer camp?
   A) Yes.
   B) No.
9. An institution's athletic booster group may sponsor a local sports club that includes prospective student-athletes.
   A) True.
   B) False.

10. A certified coach may transport a prospective student-athlete and a prospective student-athlete's relatives or legal guardian(s) to and from the prospective student-athlete's home to campus on an official visit.
    A) True.
    B) False.

11. When does the 48 hour time limit begin on an official visit?
    A) When the prospective student-athlete makes initial face-to-face contact with an institutional staff member.
    B) When the prospective student-athlete receives their initial benefit on an official visit (e.g., Receipt of a meal on the way to the institution from the airport).
    C) When the prospective student-athlete arrives on the institution's campus.
    D) None of the above.

12. A prospective student-athlete is eligible for a tryout, provided the tryout date is outside of his or her sport's traditional season, following June 15 preceding a student-athlete's ________.
    A) Freshman year in high school.
    B) Sophomore year in high school.
    C) Junior year in high school.
    D) Senior year in high school.

13. Any solicitation of a prospective student-athlete or a prospective student-athlete's relatives [or legal guardian(s)] by an institutional staff member or by a representative of the institution's athletics interests for the purpose of securing the prospective student-athlete's enrollment and ultimate participation in the institution's intercollegiate athletics program is defined as
    A) a contact period.
    B) a tryout.
    C) recruiting.
    D) athletics aid.

14. Which one of the following scenarios would require application of the occasional meal legislation?
    A) The team is provided lunch unassociated with practice or competition while hosting an official visit.
    B) A booster hosts the team for dinner at their home.
    C) The head baseball coach takes the team to dinner for the annual team holiday party during the week before finals.
    D) All of the above.

15. A student-athlete who is not eligible for competition may receive expenses to travel with his/her team on a trip that includes both practice and competition as long as the student-athlete is eligible for practice.
    A) True.
    B) False.
An eligible incoming first-year student-athlete can participate in a foreign tour in the summer prior to initial full-time enrollment only if he/she has signed a National Letter of Intent or written offer of admission and/or financial aid and has received final academic and amateurism certification from the NCAA Eligibility Center.

A) True.
B) False.

A Division II institution may make a four-year athletics scholarship offer to a prospective student-athlete.

A) True.
B) False.

An incoming first-year student, who has not received a final academic or amateurism certification is eligible to participate in an institutional fundraiser or promotional activity, provided he/she has signed a National Letter of Intent or written offer of admission and/or financial aid and graduated from high school.

A) True.
B) False.

When may an institution provide expenses to student-athletes in conjunction with conditioning or skill instruction?
A) Only during the team’s declared playing season.
B) Any time during the academic year.
C) At any time.
D) Never.

All head coaches are permitted to observe and provide instructions to student-athletes participating in voluntary workouts during the summer vacation period.
A) True.
B) False.

An institution is permitted to pay the lodging expenses for a prospective student-athlete who has arrived on campus for an official visit when the hotel is located within
A) 30 miles from campus.
B) 40 miles from campus.
C) 50 miles from campus.
D) 100 miles from campus.

Jill attends a two-year college for two full-time semesters, and then Jill transfers to a four-year college for two full-time semesters. After the four year college, Jill decides to return to a two-year college part time for one semester and full time for one semester and graduates in spring 2016. Jill has only used five full time semesters and has only competed for one year in the sport of basketball. Jill would like to transfer to a four-year institution in fall 2016 and compete in basketball. Jill ___________
A) must serve one year of residency at the four-year institution, and then may be eligible for competition, provided she has met the academic progress requirements.
B) is eligible at the four-year institution because the last school she attended as a full-time student was a two-year institution for only one semester and graduated.
C) must serve one semester of residency at the four-year institution, and then may be eligible for competition, provided she has met the academic requirements.
D) must transfer in 60 credits towards a degree with a 2.2 grade point average and provide written documentation that she only competed in one year of basketball. Once completed she is immediately eligible for competition and athletically related financial aid.
23 In-person, off-campus recruiting contact by an institutional coaching staff member with a prospective student-athlete who is not on an official or unofficial visit is permissible only during a ________ period.
   A) Dead.
   B) Contact.
   C) Quiet.
   D) Evaluation.

24 A prospective student-athlete may participate in an institutional fundraiser while still in high school, provided he/she has signed a National Letter of Intent or written offer of admission and/or financial aid.
   A) True.
   B) False.

25 May a prospective student-athlete participate in a tryout after high school graduation and before September 1?
   A) No, student-athlete is limited to one tryout.
   B) Yes, the student-athlete can participate in unlimited tryouts.
   C) Yes, provided the prospective student-athlete has not previously participated in a tryout at the same institution while in high school.
   D) None of the above.

26 An institution may host a celebratory event to announce the signing of prospective student-athletes.
   A) True.
   B) False.

27 A coach may hand deliver a National Letter of Intent to a prospective student-athlete at the prospective student-athlete's high school.
   A) True.
   B) False.

28 A prospective student-athlete may sign a National Letter of Intent in the presence of the media on an institution's campus.
   A) True.
   B) False.

29 A member institution may pay actual transportation costs for a prospective student-athlete who participates in an institutional camp or clinic as long as it coincides with an official visit.
   A) True.
   B) False.

30 When is an institution permitted to pay for team entertainment activities?
   A) During the summer vacation period when the team is not required to be on campus.
   B) During a required day off provided the entertainment does not include any countable athletically related activity.
   C) During the winter break period, but only for winter sports.
   D) All of the above.
31 Which of the following printed recruiting materials is impermissible for an institution to provide during a prospective student-athlete’s freshman year in high school?
   A) NCAA Guide for the College-Bound Student-Athlete.
   B) Athletics media guides.
   C) Questionnaires.
   D) Institutional camp brochures.

32 How many hours of team activities or skill instruction may a student-athlete participate in outside of the declared playing season during the academic year?
   A) Two hours.
   B) Four hours.
   C) Eight hours.
   D) 10 hours.

33 A student-athlete may miss class in order to attend an entertainment activity in conjunction with a practice.
   A) True.
   B) False.

34 An institution may make a donation to a local sports club to cover a coach’s actual and necessary expenses.
   A) True.
   B) False.

35 A student-athlete who has exhausted eligibility and/or graduates in the term immediately preceding an institution’s foreign tour is not eligible to participate.
   A) True.
   B) False.

36 Participation in outside competition as a member of a club team at an institution that sponsors the sport on the varsity level is considered intercollegiate competition.
   A) True.
   B) False.

37 Which of the following actions is permitted during a dead period?
   A) Making in-person recruiting contacts on the institution’s campus.
   B) Making in-person recruiting contacts or evaluations off the institution’s campus.
   C) Providing complimentary admissions to an individual prospective student-athlete for an on-campus athletics event as part of the prospective student-athlete’s recruitment.
   D) None of the above.

38 During an unofficial visit to an institution, a prospective student-athlete may stay in an enrolled student-athlete’s dormitory room only if
   A) the prospective student-athlete is staying with a student-athlete who participates in his or her sport.
   B) the prospective student-athlete pays the regular institutional rate for such lodging.
   C) the enrolled student-athlete’s room is the only room available.
   D) the prospective student-athlete’s guardian signs a permission form.
39 An institution may provide which of the following to a student host entertaining a prospective student-athlete?
   A) A maximum of $100 for each day of the visit to cover all actual costs of entertaining the prospective student-athlete.
   B) Complimentary meals, provided the student host is accompanying the prospective student-athlete during his or her official visit.
   C) Access to a university vehicle to drive the prospective student-athlete to a restaurant off campus.
   D) None of the above.

40 When an institution provides reasonable entertainment to student-athletes incidental to practice, what is the mileage limitation for providing such entertainment?
   A) Within 30 miles of campus.
   B) Within 50 miles of campus.
   C) Within 100 miles of campus.
   D) There is no mileage restriction.
PRACTICE EXAM: 10/17/2017

1 A) True.  
   13.11.2.1

2 A) True.  
   12.5.1.1.1

3 A) True.  
   13.14.4.1

4 A) Permission is granted by default, and the institution shall provide written permission to the student-athlete.  
   13.1.1.2
