PRINCIPAL INDIVIDUAL PLAYS

List **all** scoring plays; also non-scoring plays (including punts) gaining 50 yards or more, and all **missed field goal attempts**

Under "type of play" indicate rush pass int runback, punt runback, kickoff runback, punt or field goal List tries for points as PAT kick, PAT rush or PAT pass

On pass play, give passer first, then receiver, and combined yardage of pass and run Measure runbacks from goal line, if started in end zone Measure field goal attempts from point of kick All other plays are measured from line of scrimmage

CONDENSED RULES FOR RECORDING FOOTBALL STATISTICS*

(Originated by the N C A A Football Rules Committee's Sub-committee on Football Statistics)

(Continued from back of form 347 A)

SECTION 6 — PUNTS

Article 1: Punts are measured from the line of scrimmage to the point of ultimate advance if the ball remains in the field of play or goes out of bounds (Note — Ultimate advance is the point where ball goes out of bounds is downed or is recovered by the defense

(Note — Ultimate advance of the punt shall be construed to include also any distance which a receiver of the punt may retreat toward his own goal before attempting to return up field This interpretation gives greatest benefit to both the punter and the receiver since excellence of the punt normally is responsible for retreat by the receiver Thus minus yards should NOT be recorded under punt returns)

Article 2: When a punt goes over the goal line (a touchback) distance of the punt is measured from the line of scrimmage to the 20-yard line only since this is the limit of the punt's value to the kicking team

Article 3: If a receiver muffs a punt and the ball continues toward his goal line the punt is measured to the point of recovery or ultimate advance as defined above If a receiver muffs a punt and the ball bounds back toward the kicker's goal the punt is measured to the point of the muff (the point of ultimate advance) and the receiver is credited with a punt return and with the yards from the point of the muff to the point of recovery regardless of which team recovers

Article 4: A blocked punt is recorded as a 'team' entry and not charged against the individual kicker Thus in the case of a blocked punt which does not pass the line of scrimmage enter the word team in lieu of kicker's name and charge one punt for NO yards so the blocked punt is included under Times Kicked in team totals.

If the ball travels toward the kicker's goal and is recovered by the blocking team the yardage is treated as a punt return by the player who blocked the kick If the ball travels toward the kicker's goal and is recovered by the kicking team the yardage is treated as a punt return by the player who blocked the kick—and the blocking team is charged with a fumble lost except on fourth down

SECTION 7 — KICK RETURNS

Article 1: Only the number of punts and kickoffs which the receiving team actually attempts to return are included under kick returns (Exception — Blocked kicks which travel toward the kicker's goal See Article 4 of Section 6)

Article 2: The return will be measured from the point where the returning player actually gains control of the ball to the point where the ball is declared dead or is lost by fumble There are no minus yards under kick returns (see note under Article 1 of Section 6)

Article 3: The return of an attempted field goal which falls short and is returned by the defending team is treated as a punt return

SECTION 8 — FREE KICKS

See Official Football Statisticians Manual

SECTION 9 — GOALS FROM THE FIELD

Successful goals from the field are measured from the point where the ball is kicked to the goal posts (to the goal line plus ten yards since the goal posts are ten yards behind the goal line)

The distance of such kicks is recorded on form 347 only under principal individual plays If kick is unsuccessful show yard line from which kicked in lieu of distance

SECTION 10 — POINTS AFTER TOUCHDOWN

Article 1: A player attempting a try-for-point-after touchdown by kicking is not charged with an attempt when a bad pass from center or a fumble by the ball holder precludes an opportunity to kick Such an unsuccessful attempt is charged to the team rather than to any individual player However if the ball is momentarily fumbled and then kicked an attempt is charged to the individual kicker regardless of the success or failure of the effort

Article 2: The try for point-after touchdown is made while time is out and is not recorded as a play from scrimmage (rush pass or kick)

When a try-for-point-after touchdown is by forward passing the passer is charged (under SCORING) with the attempt whether successful or not If successful the receiver is credited under SCORING with the conversion and points scored and the passer is credited with a conversion under FORWARD PASSING

Such a passing effort is recorded as a PAT attempt and is NOT recorded as a pass attempt or a pass reception

SECTION 11 — SAFETIES.

No individual credit is recorded for any player on either team when a safety is scored The team benefiting from the score is credited

SECTION 12 — FUMBLES

On any play terminated by a fumble the yards involved to the point of recovery are credited or charged to the player who fumbled regardless of which team recovers the fumble

(Approved Ruling — On rushing play ball carrier of Team A fumbles at the line of scrimmage and the ball travels 5 yards toward Team B goal line before it is recovered by Team B Player of Team A who fumbled is credited with rushing gain of 5 yards and Team A is charged with a fumble lost)
