CONDENSED RULES FOR RECORDING FOOTBALL STATISTICS*

(Originated by the N.C.A.A. Football Rules Committee's Sub-committee on Football Statistics)

SECTION 1 — FIRST DOWNS

A first down shall be recorded whenever the yardsticks are ordered forward by the officials, and when a touchdown is scored from scrimmage (by rushing or passing) within a series of downs starting 10 yards or more from the goal line. A first down is not recorded on a touch-down runback, regardless of the distance of the scoring run.

SECTION 2 — RUSHING

Article 1: All offensive running plays are to be classified as rushing plays not as plays from scrimmage since any play begun with a snapback from center actually is a play from scrimmage.

Article 2: Rushing yardage is measured from the line of scrimmage to the point where the ball is declared dead or is recovered by opponents in the case of a fumble.

Article 3: The rushing total is a net figure. All rushing losses must be recorded so as to account for the net figure.

Article 4: All gains on lateral passes which originated or grew out of a rushing play are included in rushing yardage. (See Article 1 of Section 4.)

SECTION 3 — FORWARD PASSING.

Article 1: Forward passing gains or losses are measured from the scrimmage line to the point where the ball is declared dead (or is recovered by opponents in the case of a fumble) so as to include both length of pass and running advance after completion. All yards gained or lost on each completed pass play are credited to both the passer and the receiver.

Article 2: Loss from a completed forward pass which did not advance the ball to the scrimmage line is a yardage charge against passing gain.

Article 3: Any loss by a player apparently intending to pass, but thrown behind the line of scrimmage is recorded as a loss by rushing. He is not a passer until he has thrown the ball and he retains at all times the option of running.

Article 4: Interception returns are measured from the point of interception to the point where the ball is declared dead (or is recovered by opponents in the case of a fumble).

Article 5: There is no pass completed by penalty. A gain through interference on a passing play is a penalty against the defending team. The passer is not charged with a pass attempt nor credited with a pass completed or yards gained; nor is the intended receiver (or the player interfered with) credited with a pass caught. The passing team is credited only with a first down by penalty. The defensive (offending)

team is charged with a penalty and the distance from the line of scrimmage to the spot of the penalty under yards penalized."

Article 6: The forward passer is charged with a forward pass attempt when a forward pass is ruled intentionally grounded.

SECTION 4 — LATERAL PASSING.

Article 1: A lateral pass is always a component part of the ultimate play whether it precedes or follows that play since the lateral is merely an extension of the original or ultimate play in effect.

(Approved Ruling — Player A receives a forward pass for a gain of 10 yards, then throws a lateral pass to Player B who gains an additional 5 yards. Player A is credited with one pass caught and 10 yards under 'receiving'. Player B is credited with NO pass caught and with 5 yards under 'receiving'. Player who threw the forward pass is credited with 15 yards under 'forward passing'.)

(Approved Ruling — Player A catches punt and returns 10 yards before throwing a lateral pass to Player B who returns another 5 yards. Player A is credited with one return and 10 yards under punt returns. Player B is credited with NO return and with 5 yards under 'punt returns'.)

Article 2: Incomplete lateral passes are scored as fumbles, and yards lost are charged against the player who in the scorer's opinion was responsible for the failure of the pass.

Article 3: Intercepted lateral passes are scored as fumbles the offensive team being charged with a fumble lost.

Article 4: The official scorer rules on whether a completed pass to a flanker or man-in-motion is a forward or a lateral pass. If the latter the play is recorded under rushing. If the pass is incomplete the subsequent action of the officials reveals whether the pass was a forward or a lateral.

SECTION 5 — TOTAL OFFENSE.

Article 1: Total offense is the combined result of rushing and forward passing only, since these two are the only methods by which legal advance can be initiated while retaining possession of the ball.

Article 2: Total offense yardage is the total of net gain by rushing and net gain by forward passing. Receiving yards gained are not included in total offense.

WILD PASS FROM CENTER.

Any loss resulting from an obvious wild pass from center is charged to center pass, and not to any individual player.
