IMPORTANT: Most player categories are now ranked on per-game average. Thus, it's vital that you consider every player (on both teams) with any statistics in any game this season (get season player statistics from both SIDs). Then list below the code number and last name of players who have season figures but did NOT play in this game. A game played is one play--whether or not the player touches the ball. All players will be charged with a game unless you tell NCSS otherwise. If a player with first-time statistics has missed games, fill in below--after getting from his SID how many games missed.
