Game 10 Nevada-Las Vegas vs. Florida State University

POST GAME QUOTES:

Florida State Head Coach JoAnn Graf: (On team) - "We started the game out flat and didn't look good. We were sitting on their pitches. I don't know whether it was from a real emotional couple of days."

"We're tired and beat up. We've been playing ~~nine or ten~~ the same nine or 10 kids most of the time. We're pleased we're getting the opportunity to play UCLA."

(On being tired) - "We shouldn't be tired. We've playing one game a day and we've been playing two games (before tournament) a day for ever. We're playing with emotion and the kids are fighting to keep it up."

(On winning tournament) - "I still like to think of us as the Cinderella team. We're still the underdog, but you never know, we might get a break."

Florida State's Leslie Barton: (On hitting) - "I just came in thinking about hitting the ball. I don't think about hitting it hard."

(On homerun) - "I thought it was (a homerun) because I knew I hit it well. Everytime I'm at the plate I raise my expectations."

UNLV Head Coach Shan McDonald: (On Game) - "The Rebels had a good season. We played real good ball to get here. Although I'm a little surprised we didn't play the same type of ball this weekend."

"We stayed on them the first part of the game then we did towards the last. I think the effort was there, it just wasn't there for us. Things just didn't work for us today."
