**NCAA Softball Regional Day Three Action
UCLA Defeats Minnesota 5-0**

Los Angeles, CA – In NCAA Softball Regional action at UCLA’s Easton Softball Stadium, top-seeded UCLA handed Minnesota its first loss of the tournament, 5-0. For the third consecutive game, a UCLA player hit two home runs in the game. This time, catcher Stacey Nuveman provided the muscle, cranking her nation-leading 29th and 30th home runs of the year.

Second baseman Lyndsey Klein opened the scoring in the third inning. On her 21st birthday, Klein gave her team a gift by blasting her fifth home run of the season. Nuveman followed with her first home run of the game.

Nuveman struck again in the fifth inning. After singles from Amanda Freed and Klein, Nuveman homered off Minnesota reliever Michelle Harrison over the center field fence. With that feat, Nuveman joined teammate Julie Adams as the second Bruin to hit two home runs in a game at the Regional (Adams did it in both the first and second rounds).

Bruin pitcher Courtney Dale (30-1) brought a no-hitter into the seventh inning but gave up consecutive singles to Tammi Hays and Steph Midthun. However, Dale forced Shannon Beeler into a double play then got Michelle Bennett to fly out to right fielder Lupe Brambila to end the game for her second shutout of the Regional. Dale struck out eight batters in the game. Minnesota’s Steph Klaviter (23-10) took the loss after giving up two runs in 2.2 innings. Heather Brown pitched the final two innings for the Golden Gophers and held the Bruins hitless in relief.

UCLA (58-6) advances to the Regional final on Sunday at 1:00 pm. Minnesota must play in the elimination game today at 3:00 pm against the winner of the Cal State Northridge-Missouri game.

UCLA quotes

Head Coach Sue Enquist

“We came out and did a good job of establishing our game plan. Their pitcher did a good job of hitting her spots but we were patient and finally broke through.”

(About Courtney Dale): “She did an excellent job of hitting her spots.”

“The bottom of the order has been producing. Hitting in streaky. For those of our hitters who have not been hitting as well as usual, as long as they stay patient, we’ll be okay.”

Lyndsey Klein: “I feel like I’ve been in a groove lately. I’ve been seeing the ball well.”

Stacey Nuveman: “I feel like I’ve been struggling a bit. It felt nice to bust out a little bit.”

Courtney Dale: “I wanted to go out and make sure the ball was moving and I was hitting my spots. I try to make sure the ball moves and the speed takes care of itself.”

Minnesota quotes

Head coach Lisa Bernstein:

“We got beat by a good ball club. We’ve got to put this behind us and get ready for a game at 3:00 p.m.”

(About not pitching around Stacey Nuveman): “Julie Adams had four home runs in two days. They’re all good hitters. Nuveman hit a low pitch that wouldn’t even have been called a strike and hit it out.”

“Dale is a tremendous player. She shut us down the first time through the lineup, we made contact the second and got some hits late. To get where we want to go, we’ll have to play them again.”

Cal State Northridge quotes

Cal State Northridge Head Coach Janet Sherman

"We played well. We really put up a fight. We came out ready to go. We pitched well. It took us a while to get adjusted, but we did. They (Missouri) just got more runs than we did. We play aggressive. We knew they would be fired up and we knew they're a good team."

(On pitcher Tara Glaister) "I wouldn't say she had a bad game. She pitched a five-hitter. That's a good game."

Cal State Northridge Pitcher/Outfielder Jessica Creith

(On the last pitch) "It was clearly a ball. I wanted to be in that type of situation. It's tough but that's the way it goes."

Cal State Northridge Pitcher Tara Glaister

"I didn't have my best stuff all day today. The pop wasn't there and the movement wasn't there."

NCAA Softball Regional Third Round Action
Missouri Advances to Championship Game with 3-0 Victory over Minnesota

Los Angeles, CA – The Missouri Tigers advanced to the championship game of the NCAA Region I softball tournament with a 3-0 victory over the Minnesota Golden Gophers Saturday afternoon at UCLA's Easton Stadium.

Missouri (41-20) won two games on Saturday, defeating Cal State Northridge 3-1 in the afternoon's second game. The Tigers will face No. 1-ranked UCLA (58-6) Sunday at 1:00 p.m. PDT for the championship. A Tiger win would force a second game at 3:00 p.m. while a UCLA victory would send the Bruins to the College World Series.

Tiger pitcher Stephanie Falk (27-12) threw her second complete game of the day, limiting the Golden Gophers to just five hits (four singles and one double). In her two games, she allowed just one unearned run and 12 hits in 14 innings while striking out 12 and walking just two.

The game was scoreless through five innings. With one out in the top of the sixth inning, Shawna Robinson reached on a bunt single. Stacy Gemeinhardt also bunted for a single. Two throwing errors on that play allowed Robinson to score the first run of the game and Gemeinhardt to move to third. One out later, Kim Slover singled in Gemeinhardt for a 2-0 lead.

Missouri added an insurance run in the seventh inning on an RBI single by Robinson, which scored pinch runner Lindsey Jacoby.

Minnesota pitcher Steph Klaviter (23-11) struck out a career-high 10 batters but lost for the second time on the afternoon. Minnesota finished with a record of 48-20, tying the school record for victories.

Missouri quotes

Missouri Head Coach Jay Miller

"I thought we did a great job. Steph (Falk) came out and dominated from the start. When she throws like that, there's no way anyone can beat her."

"You don't have to hit all the time. You have to hit when the game is on the line and we did that today."

(On Minnesota's pitcher Steph Klaviter) "She's a great pitcher. There were a lot of rise balls. We've been seeing rise balls for the last three games. We're working on that. Each at-bat we did a little better. We made the adjustments we needed to make."

(On tomorrow's game vs. UCLA) "We're just going to go out and play our game the same way we've been doing all year. UCLA is a great team but they've lost six times. So that means they can lose. We're just going to give it our best. Everybody can pitch when we get to this level. The question is who can step up when the game is on the line. We can run. We've got speed. We don't have a lineup like UCLA, who hits balls out of the field. We've got to do it the way we usually do."

Missouri Pitcher Stephanie Falk

"After the Northridge game, I knew what adjustments I had to make and I made those adjustments against Minnesota. They (Minnesota) have great batters, lots of power."

Missouri Outfielder Stacy Gemeinhardt

(On the error that scored the winning run) "I was looking at the play. When I was running, I could see the play. When I saw the ball went through, that's when I ran."

Minnesota quotes

Co-Head Coach Lisa Bernstein

"It was a frustrating way to end the season. It was not the expected outcome. We didn't get the job done. Missouri did a great job. We've seen them before and we knew what to expect. Speed definitely made the difference on defense. Their speed definitely helped them out there. It was a foot race. I don't think we had great pitch selection. A lot of our hitters struggled at the same time."

(Reflections on this year's team) "Steph (Klaviter) is amazing. She keeps us in. She lets the defense play behind her. Braden played through so much this year We'll miss her leadership. She's a great defensive player. They're all a talented group. You'll never find a chemistry like this. They (the seniors) will be hard to replace."

Minnesota Pitcher Steph Klaviter

I was hitting my spots better this game. I was hitting down low."

Minnesota Short Stop Shannon Beeler

"We didn't string our hits together this week like we did last weekend."

(Reflections on playing at Minnesota) "Definitely winning last weekend and getting the opportunity to play against UCLA today was a great opportunity. Just being here is a great opportunity."
