PRINCIPAL INDIVIDUAL PLAYS

List all scoring plays also non scoring plays (including punts) gaining 50 yards or more
Under "type of play" indicate rush pass, int runback, punt runback, kickoff runback
punt or field goal List tries for points as PAT kick PAT rush or PAT pass

**On pass play, give passer first, then receiver and combined yardage of pass and run
Measure runbacks from goal line if started in end zone All other plays are measured
from line of scrimmage**

[illegible]

CONDENSED RULES FOR RECORDING FOOTBALL STATISTICS*

(Originated by the N C A A Football Rules Committee's Sub committee on Football Statistics)

SECTION 1 – FIRST DOWNS

A first down shall be recorded whenever the yardsticks are ordered forward by the officials and when a touchdown is scored from scrimmage (by rushing or passing) within a series of downs starting 10 yards or more from the goal line. A first down is not recorded on a touchdown runback, regardless of the distance of the scoring run.

SECTION 2 – RUSHING

Article 1: All offensive running plays are to be classified as rushing plays not as plays from scrimmage since any play begun with a snapback from center actually is a play from scrimmage

Article 2: Rushing yardage is measured from the line of scrimmage to the point where the ball is declared dead or is recovered by opponents in the case of a fumble

Article 3: The rushing total is a *net* figure. All rushing losses must be recorded so as to account for the net figure.

Article 4: All gains on lateral passes which originated or grew out of a rushing play are included in rushing yardage (See Article 1 of Section 4.)

SECTION 3 – FORWARD PASSING

Article 1: Forward passing gains or losses are measured from the scrimmage line to the point where the ball is declared dead (or is recovered by opponents in the case of a fumble) so as to include both length of pass and running advance after completion. All yards gained or lost on each completed pass play are credited to both the passer and the receiver.

Article 2: Loss from a completed forward pass which did not advance the ball to the scrimmage line is a yardage charge against passing gain

Article 3 Any loss by a player apparently intending to pass but thrown behind the line of scrimmage is recorded as a **loss by rushing**. He is **not** a passer until he has thrown the ball and he retains at all times the option of running.

Article 4: Interception returns are measured from the point of interception to the point where the ball is declared dead (or is recovered by opponents in the case of a fumble)

Article 5: There is no pass completed by penalty A gain through interference on a passing play is a penalty against the defending team. The passer is **not** charged with a pass attempt nor credited with a pass completed or yards gained; nor is the intended receiver (or the player interfered with) credited with a pass caught. The passing team is credited only with a first down by penalty. The defensive (offending)

team is charged with a penalty and the distance from the line of scrimmage to the spot of the penalty under yards penalized"

Article 6: The forward passer is charged with a forward pass attempt when a forward pass is ruled intentionally grounded

SECTION 4 – LATERAL PASSING

Article 1: A lateral pass is always a component part of the ultimate play whether it precedes or follows that play since the lateral is merely an extension of the original or ultimate play in effect

(Approved Ruling -- Player A receives a forward pass for a gain of 10 yards then throws a lateral pass to Player B who gains an additional 5 yards Player A is credited with one pass caught and 10 yards under receiving Player B is credited with NO pass caught and with 5 yards under receiving Player who throw the forward pass is credited with 15 yards under forward passing)

(Approved Ruling — Player A catches punt and returns 10 yards before throwing a lateral pass to Player B who returns another 5 yards Player A is credited with one return and 10 yards under punt returns Player B is credited with NO return and with 5 yards under punt returns)

Article 2: Incomplete lateral passes are scored as fumbles and yards lost are charged against the player who in the scorer's opinion was responsible for the failure of the pass.

Article 3: Intercepted lateral passes are scored as fumbles, the offensive team being charged with a fumble lost

Article 4: The official scorer rules on whether a completed pass to a flanker or man-in-motion is a forward or a lateral pass. If the latter the play is recorded under rushing. If the pass is incomplete the subsequent action of the officials reveals whether the pass was a forward or a lateral.

SECTION 5 – TOTAL OFFENSE.

Article 1: Total offense is the combined result of rushing and forward passing *only* since these two are the only methods by which legal advance can be initiated while retaining possession of the ball

Article 2: Total offense yardage is the total of net gain by rushing and net gain by forward passing. Receiving yards gained are not included in total offense.

WILD PASS FROM CENTER.

Any loss resulting from an obvious wild pass from center is charged to center pass and not to any individual player

(Continued on back of Form 347-B)
