WINDY (20 MI)		MIAMI	0	0	0	7	7

List **all** scoring plays, also non-scoring plays (including punts) gaining 50 yards or more, and all **missed field goal attempts**.

**On pass play, give passer first, then receiver, and combined yardage of pass and run. Measure runbacks from goal line, if started in end zone. Measure field goal attempts from point of kick. All other plays are measured from line of scrimmage.**

[illegible]

(Originated by the N C A A Football Rules Committee's Sub-committee on Football Statistics)

## SECTION 6 - PUNTS.

(Note — Ultimate advance of the punt shall be construed to include also any distance which a receiver of the punt may retreat toward his own goal before attempting to return up field. This interpretation gives greatest benefit to both the punter and the receiver since excellence of the punt normally is responsible for retreat by the receiver. Thus minus yards' should NOT be recorded under punt returns.)

**Article 3: If a receiver muffs a punt and the ball continues toward his goal line the punt is measured to the point of recovery or ultimate advance as defined above. If a receiver muffs a punt and the ball bounds back toward the kicker's goal the punt is measured to the point of the muff (the point of ultimate advance) and the receiver is credited with a punt return and with the yards from the point of the muff to the point of recovery regardless of which team recovers.**

If the ball travels toward the kicker's goal and is recovered by the **blocking** team the yardage is treated as a punt return by the player who blocked the kick. If the ball travels toward the kicker's goal and is recovered by the **kicking** team, the yardage is treated as a punt return by the player who blocked the kick—and the blocking team is charged with a fumble lost except on fourth down.

## SECTION 7 – KICK RETURNS.

**Article 2:** The return will be measured from the point where the returning player actually gains control of the ball to the point where the ball is declared dead or is lost by fumble. There are no minus yards under kick returns (see note under Article 1 of Section 6)

### SECTION 8 - FREE KICKS

**See Official Football Statisticians Manual**

## SECTION 9 – GOALS FROM THE FIELD

The distance of such kicks is recorded on form 347 only under principal individual plays. If kick is unsuccessful show yard line from which kicked in lieu of distance.

### SECTION 10 -- POINTS AFTER TOUCHDOWN

**Article 2:** The try for point-after-touchdown is made while time is out and *is not* recorded as a play from scrimmage (rush pass or kick)

Such a passing effort is recorded as a PAT attempt and is NOT recorded as a pass attempt or a pass reception

## SECTION 11 - SAFETIES.

No individual credit is recorded for any player on either team when a safety is scored. The team benefitting from the score is credited.

## SECTION 12 – FUMBLES.

On any play **terminated** by a fumble the yards involved to the point of recovery are credited or charged to the player who fumbled regardless of which team recovers the fumble

**(Approved Ruling — On rushing play ball carrier of Team A fumbles at the line of scrimmage and the ball travels 5 yards toward Team B goal line before it is recovered by Team B Player of Team A who fumbled is credited with rushing gain of 5 yards and Team A is charged with a fumble lost )**
