List **all** scoring plays; also non-scoring plays (including punts) gaining 50 yards or more, and all missed field goal attempts for both teams.

On pass play, give passer first, then receiver, and combined yardage of pass and run. Measure runbacks from goal line, if started in end zone. Measure field goal attempts from point of kick. All other plays are measured from line of scrimmage.

[illegible]

(Originated by the N.C.A.A. Football Rules Committee's Sub-committee on Football Statistics)

SECTION 6 — PUNTS.

If the ball travels toward the kicker's goal and is recovered by the **blocking** team, the yardage is treated as a punt return by the player who blocked the kick. If the ball travels toward the kicker's goal and is recovered by the **kicking** team, the yardage is treated as a punt return by the player who blocked the kick—and the blocking team is charged with a fumble lost, except on fourth down.

Successful goals from the field are measured from the point where the ball is kicked to the goal posts (to the goal line plus ten yards, since the goal posts are ten yards behind the goal line).

Any loss resulting from an **obvious** wild pass from center is charged to "center pass," and not to any individual player.
