1995-96 BASKETBALL RECORD

Please list games in order played. After opponent's name, indicate overtime games with OT, 2-OT, etc. After opponent's score, indicate home games by (H), away games by (A) and neutral sites by 1, 2, 3, etc. and list below** List attendance for ALL games regardless of site. Attendance should include all students at the game—regardless of whether they paid admission. If you do not charge admission or count attendance, please estimate the total number of spectators at each home game. If you have more than one "home" court, please include all games played in your home city or nearby cities in which you would be regarded as having the home crowd. In the table below, separate those home games played as double-headers with the men's team (that is, one admission price for both games) from those home games played alone using an "X" in the DH column. Please remember—only games
