1. If a football coach observes a prospective student-athlete's high school contest during a contact period, which of the following has been used?
   A) One evaluation for that prospective student-athlete.
   B) One contact and one evaluation for that prospective student-athlete.
   C) One contact and one evaluation for all prospective student-athletes in that sport at that high school.
   D) One contact for all senior prospective student-athletes in that sport at that high school.

2. It is permissible for an institution to hire a high school football coach as a volunteer in a summer camp if the institution is recruiting one of the high school's prospective student-athletes.
   A) True.
   B) False.

3. Under what circumstances may an institution (other than a service academy) provide more than 56 OFFICIAL visits in a year?
   A) The institution does not subscribe to the National Letter of Intent in football.
   B) The institution hired a new football coach and the previous head coach used 75-percent or more of the permissible number of official visits for the academic year.
   C) The institution has six or less unused visits from the previous academic year to be used in the following academic year.
   D) All of the above.

4. Coaches may have recruiting conversations with prospective student-athletes only at their own camps held on their campus or at a facility regularly used for practice or competition.
   A) True.
   B) False.

5. When is it permissible for the head coach to make a telephone call to a prospective student-athlete who is in his junior year in high school?
   A) April 15 through May 31.
   B) May 1 through June 15.
   C) The month of February.
   D) The month of March.

6. A prospective student-athlete's high school coach would be considered an individual associated with a prospective student-athlete (IAWP).
   A) True.
   B) False.

7. Outside of the contact period, a member of the football coaching staff may speak at a banquet at which prospective student-athletes are in attendance, provided ____________.
   A) It is not a dead period and the coach does not engage in evaluation activities.
   B) The coach does not make a recruiting presentation in conjunction with the appearance.
   C) The coach does not have direct contact with any prospective student-athlete in attendance.
   D) All of the conditions above are met.
A recruiting service that provides only video of prospective student-athletes and does not provide information about or analysis of prospective student-athletes is a permissible recruiting service.

A) True.
B) False.

If a prospective student-athlete making an official visit is a member of a nontraditional family (e.g., divorce, separation), it is permissible to provide travel expenses to more than two individuals.

A) True.
B) False.

The spring evaluation period consists of how many days?

A) 168
B) 50
C) 100
D) 120

Football Recruiting Coordinator is in the same city as prospective student-athlete’s all-star contest. Recruiting coordinator would like to go to the hotel that the prospective student-athlete is staying at to say congratulations. Recruiting coordinator may meet with the prospective student-athlete’s parents, provided it is not the day of the all-star contest.

A) True.
B) False.

To attract more prospective student-athletes from the midwest, an institution located in the state of Pennsylvania may conduct institutional football camps in Minnesota, Iowa and Missouri.

A) True.
B) False.

An institution’s football coach’s hometown is in the state of California. The coach now coaches at a Division I institution in the state of Texas. The coach would like to host an institutional football camp in his hometown in California. It would be permissible for the coach to host this camp in his hometown.

A) True.
B) False.

A visit to a prospective student-athlete’s high school, preparatory school or two-year college, or an evaluation at any site that occurs during a contact period shall constitute a contact (for all prospective student-athletes in that sport at the educational institution) for that particular week.

A) True.
B) False.
15 Which statement is TRUE regarding all-star contests in the sport of football?

A) A coach is prohibited from attending all-star-contests and contacting prospective student-athletes participating in all-star contest from the time the PSA arrives in the locale of the contest until he returns to either his home or to his educational institution.

B) A coach may attend all-star contests, although he is prohibited from making in-person contact with a participating prospective student-athlete.

C) A coach may not attend all-star contests, although it is permissible for the coach to contact the prospective student-athlete at any time.

D) A coach may attend all-star contest, although he is prohibited from contacting the prospective student-athletes participating in all-star contests from the time the PSA arrives in the locale of the contest until he returns to either his home or his educational institution.

16 An institution's football coach may lecture at a football camp or clinic owned and conducted by a scouting service and attended by prospective student-athletes, provided the camp or clinic is operated in accordance with all other restrictions applicable to institutional camps or clinics.

A) True.
B) False.

17 The institution would like to hire a local high school football coach to work its summer camp. The institution is not recruiting any prospective student-athlete from the high school's team and none of the high school coach's former players are on the institution's roster. It is permissible for the institution to hire the local high school coach.

A) TRUE
B) FALSE

18 While on an OFFICIAL visit, it is permissible to provide meals for a football prospective student-athlete's mother, father, sister and grandfather.

A) True.
B) False.
