1. An institution may be involved in fundraising activities conducted by a high school or two-year college athletics department, provided no recruiting activities take place.
   A) True.
   B) False.

2. Recruiting contact with a prospective student-athlete may occur at any site or athletics competition after the prospective student-athlete’s competition concludes for the day and the prospective student-athlete has been released by the appropriate authority (e.g., coach).
   A) True
   B) False

3. During an OFFICIAL visit, a prospective student-athlete may participate in game-day simulation activities.
   A) True.
   B) False.

4. In-person, off-campus face-to-face contact by an institutional coaching staff member with a prospective student-athlete who has NOT committed to the institution per Bylaw 13.02.13.1 is permissible only during a ____ period.
   A) Dead.
   B) Contact.
   C) Evaluation.
   D) All of the above.

5. The institution’s coach makes the following statement to the media: I can confirm that we are recruiting the prospective student-athlete and that we anticipate him/her signing a National Letter of Intent with our institution. The coach’s comments are permissible before the prospective student-athlete commits to the institution per Bylaw 13.02.13.1
   A) True.
   B) False.

6. An institution is hosting a professional tryout event the same weekend several prospective student-athletes are making unofficial visits to campus. The prospective student-athletes are NOT permitted to attend the professional tryout event.
   A) True.
   B) False.

7. A prospective student-athlete may achieve a minimum required SAT or ACT score during his or her first term of full-time collegiate enrollment in order to satisfy initial-eligibility requirements.
   A) True.
   B) False.

8. An athletics department staff member may do which of the following:
   A) Endorse a noninstitutional event involving prospective student-athletes.
   B) Endorse a prospective student-athlete’s team, coach or athletics facility.
   C) Serve as a consultant for a noninstitutional event involving prospective student-athletes.
   D) None of the above.
9 A prospective student-athlete may take a second official visit to the same institution in which of the following situations?
   A) The second official visit is taken on or after October 15 following the prospective student-athlete’s completion of high school.
   B) The team has a new head coach since the original official visit.
   C) It rained during the first visit.
   D) Both A and B are correct.

10 To not be considered a tryout, which of the following must occur for participation by a prospective student-athlete in an open event conducted by or held on the member institution’s campus?
   A) The event is not classified by age group or level of educational institution.
   B) Selection of participants is limited ONLY by number, geographical area or some objective standard of performance.
   C) All participants must be amateurs.
   D) Both a and b.

11 For a NONQUALIFIER (with no previous collegiate attendance) to be eligible to practice, compete or receive athletically-related financial aid, he or she must first serve an academic year in residence at the certifying institution.
   A) True.
   B) False.

12 If an institution is recruiting a prospective student-athlete in football or basketball and in a second sport, it is permissible for the institution’s football or basketball coach to visit the prospective student-athlete’s high school on Monday and for the institution’s coach in the second sport to visit the high school on Wednesday during the same week.
   A) True.
   B) False.

13 A member of the institution’s staff may provide transportation to the campus from the nearest bus or train station or major airport when the prospective student-athlete initially arrives at the institution to attend a required new student orientation, provided the prospective student-athlete has been accepted for admission to the institution.
   A) True.
   B) False.

14 During an UNOFFICIAL visit, what type of transportation is an institution allowed to provide to a prospective student-athlete?
   A) Transportation to view any off-campus practice or competition site in the prospective student-athlete’s sport.
   B) Transportation to an institution’s home contest in the prospective student-athlete’s sport held at any local facility.
   C) Transportation from the prospective student-athlete’s home to the institution.
   D) A and B.

15 An institution’s coach is attending an event in which prospective student-athletes from multiple institutions participate in drills. The institution’s coach uses an evaluation for all participants engaging in the drills, even those prospective student-athletes the institution’s coach does not observe.
   A) True.
   B) False.
16 For purposes of Bylaw 13, a FAMILY member is an individual with any of the following relationships with a prospective student-athlete: spouse, parent or legal guardian, child, sibling, grandparent, domestic partner or any individual whose close association with the prospective student-athlete is a practical equivalent of a family relationship.

A) True
B) False

17 Under what conditions may an institution provide an OFFICIAL visit to a prospective student-athlete?

A) The prospective student-athlete has presented the institution with a high school (or college) academic transcript.
B) The prospective student-athlete is placed on the institution’s institutional request list (IRL)
C) The prospective student-athlete has registered with the NCAA Eligibility Center.
D) All of the above must be satisfied before providing an official visit.

18 An institution's camp or clinic brochure may be placed in high school, two-year college or nonscholastic game programs.

A) True.
B) False.

19 An institution's coach may produce a computer recruiting presentation and show it to a prospective student-athlete at the prospective student-athlete's high school.

A) True.
B) False.

20 A prospective student-athlete departing campus after an official visit may be provided transportation to which location?

A) Home.
B) Educational institution.
C) Site of competition.
D) Any of the above.

21 An institution may provide reduced camp or clinic admission privileges to a high school athletics award winner, provided he or she resides in the locale of the institution.

A) True.
B) False.

22 Which of the following are requirements a recruiting/scouting service must meet in order for an institution to subscribe?

A) The service must be available to all institutions at the same rate.
B) Disseminates information at least four times per year in which it publicly identifies the geographical scope of the service and reflects broad-based coverage of the geographical area in the information it disseminates. Provides individual analysis in the information it disseminates beyond the geographic information or rankings of prospective student-athletes.
C) Provides access to samples or previews of the information it disseminates prior to purchase of a subscription.
D) Has been approved by the NCAA pursuant to an annual approval process.
23 It is permissible for a director of operations (or other noncoaching staff member with sport-specific responsibilities) to attend a local athletics event in his or her sport that involves prospective student-athletes and have recruiting conversations with the prospective student-athlete's family members who are attending the event.
   A) True.
   B) False.

24 A representative of athletics interests (i.e., booster) may contact, correspond with and make telephone calls to a prospective student-athlete starting:
   A) After the prospective student-athlete signs a National Letter of Intent with the institution.
   B) After the prospective student-athlete signs the institution’s written offer of admission and/or financial aid.
   C) After the institution has received the prospective student-athlete’s financial deposit in response to its offer of admission.
   D) Any of the above.

25 A representative of an athletics interests (i.e., booster) may attend a game in which a prospective student-athlete participates but may not notify any prospective student-athlete of the institution's interest or correspond (i.e., email, text, call) with the prospective student-athlete.
   A) True.
   B) False.

26 During an OFFICIAL visit, an institution may entertain a prospective student-athlete by taking the prospective student-athlete to a social event that is located within a ____________.
   A) 30-mile radius of the institution’s main campus.
   B) 50-mile radius of the institution’s main campus.
   C) 100-mile radius of the institution’s main campus.
   D) Unlimited mile radius of the institution’s main campus.

27 Before a prospective student-athlete commits to the institution per Bylaw 13.02.13.1, the institution may provide a prospective student-athlete a photograph taken of him/her during the official visit.
   A) True.
   B) False.

28 Before the prospective student-athlete commits to the institution per Bylaw 13.02.13.1, a currently enrolled student-athlete may write the prospective student-athlete, provided the correspondence is not at the direction of the institution and the institution does not provide any of the expenses related to the written correspondence (e.g., stationary, postage).
   A) True.
   B) False.

29 Prior to initial full-time enrollment at a four-year collegiate institution, a recruited prospective student-athlete enrolls in summer school and receives athletically related financial aid. The prospective student-athlete was admitted, but decided not to enroll at any institution the fall term, and instead enrolls full-time at a different four-year collegiate institution during the spring term. This prospective student-athlete is considered a transfer student.
   A) True.
   B) False.
30 A member institution may not host, sponsor or conduct a tryout camp, clinic, group workout or combine (e.g., combination of athletics skill tests or activities) if any portion is devoted to agility, flexibility, speed and strength tests for prospective student-athletes at any location.

A) True.

B) False.
